# Turning pain around

BECOMING a mother can be the most rewarding experience of your life.

But for some mums, like

Angela Perry, it can come with pain, grief and loss.

Angela's baby son Noah lived only a short time on

this earth. She had to suffer the trauma of turning off her son's life support.

Although the pain is still

fresh and just below the surface, Angela is trying to make a difference for other mums to come.

She is fundraising for the Royal Brisbane

Women's Hospital Foundation. Sheree Echlin tells her story inside. Full story page 3.

**POSITIVE STEP:** Angela Perry is fundraising for the Royal Brisbane Women's Hospital Foundation following the death of her son Noah.
